

Air Force Research Laboratory

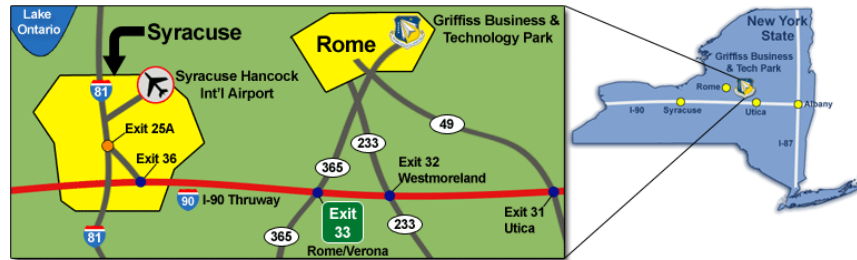

Information Directorate

To request a visit to Rome Research Site, visitors must fill out a [Request for Visit Authorization Form](#) in order to be granted access to the facility. [Visit Request Form Directions](#)

Suspension of Contractor and Personal Electronic & Media Devices:

While visiting Rome Research Site, contractor owned and personal electronic and media devices are not allowed in any building or facility. These devices include, but are not limited to; memory sticks, thumb drives, camera flash memory cards, cell phones, non-government issued BlackBerries that are not hosted on the AFMC enterprise server, rewritable CD-R/W and DVD, and floppy disks. Contractor owned computers and related equipment that is required in the performance of a government contract providing all government Information Assurance measures are followed and the computers and related hardware are under the oversight of a government assigned CSA are permitted. Contractor organizations should contact AFRL/RIK immediately if contract performance is impacted by these Information Assurance measures. Wireless network **is not** available. For additional information, contact the Information Assurance Office at ia@rl.af.mil. ['Prohibited Items Poster'](#)

How to Find Griffiss Business and Technology Park:

From: Syracuse Hancock Int'l Airport - Drive: 49.3 mi – about 1 hour:
